The petitioners are Junior Public Health Nurses Gr.I working under the respondents. They were regularly appointed to the post of Junior Public Health Nurse Gr.II on the advice of the P.S.C. before 1.10.1994. Before the commencement of their regular service they have served as provisional hands in the above post. The petitioners claim the said provisional service should also be reckoned for the purpose of grant of increments to them. Claiming this relief, they have preferred Exhibit-P2 series representations. Their claim is supported by Exhibits P7 to P10 judgments. So they pray for a direction to the Government to consider and pass orders on those representations. Learned Government Pleader submitted that the basic facts submitted by the petitioners are correct. In view of the above position, this writ petition is disposed of directing the 1st respondent to consider and pass orders on Exhibit-P2 series representations, in accordance with law, within four months from the date of production of a copy of this judgment.
